REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Board of Landaff:

I hereby submit to you my second annual report of the condition of your schools.

The attendance during the past year has not been good, but on the whole will compare well with that of other towns similarly situated. During these trying times the children have done well to make the record they have. Now unusual vigilance must be exercised to see that, once health conditions become normal, the attendance becomes as good as in other years. This means that no excuse except sickness or extreme emergency will be considered satisfactory.

The number of tuition pupils in high school continues to increase. During the present year there are sixteen enrolled in secondary schools. The tuition rate has also increased \$0.50 a week, so an increase in the appropriation for the payment of tuition is desirable.

The extremely cold weather last year and the influenza epidemic this year have caused the pupils to cover less ground than in former years. These conditions are prevalent throughout the country, and Landaff is affected no more unfavorably than most other towns.

There has been a complete change of teachers in your schools since last year. The task of filling these vacancies has been very difficult owing to the scarcity of help, due to war conditions. Now the several teachers are doing good work, and we seem to have weathered the storm.

The policy of thoroughly repairing one building should be continued, and the Scotland school should receive this attention next year and the South Side school the year following.

So far during the present school year in the schools under my supervision have occurred twenty-two cases of illness of the teachers, two deaths and nine resignations. In order to obtain teachers to replace these, I have taken trips to the follownig places to interview candidates:

To Concord, 5 times; to Bristol, 2 times; to Keene, 1; to Bradford, Vt., 1; to Nashua, 1; to Pennacook, 1; to Dover, 1; to Alton, 1.

If time for this has been taken more from one district than from another it should be understood that in the long run this will be **evened up**.

I greatly appreciate the sympathy and hearty co-operation shown during this trying time.

Respectfully submitted,

LEONARD S. MORRISON,

Superintendent of Schools.
